Stephen George + Partners, UK

Established in 1970, we've grown into one of the UK's leading architectural practices, with offices in London, Leicester, Leeds, Birmingham and Solihull.

Recognised by the Architects' Journal AJ100 as one of the country's largest practices, our success in both public and private sectors has led to vigorous development in the UK and abroad.

Our award-winning teams are highly versatile, providing an exceptional level of expertise in masterplanning, design and delivery.

We excel in quality of service and are proud to have built long-term relationships with clients across a range of sectors, including:

- Masterplanning
- Industrial
- Offices
- Retail + Mixed-use
- Leisure
- Education
- Residential
- Interiors + Fit-out
- Transport
- Healthcare

We are known for our quality, reliability and integrity. We respond rapidly to client requirements, applying technical expertise and commercial realism to resolve complex issues effectively and we produce well-designed, innovative and deliverable buildings.

We are committed to nurturing an open, inclusive, fair and supportive business that also embraces our duty of care to our community, the environment and society as a whole.
